Teamwork assessment

Does your team have agreed-upon goals they created as a team?
Do the members openly encourage and support one another?
Open communication between members, coaches and mentors?
Does each player know what their role on the team is?
Is there mutual respect among the players and coaches/mentors?
Do members show a "We" or “I” mentality?
Have they created a positive team image for themselves?
Are the individual contributions of each player recognized?
Is the team as a whole committed to improving performance?
Does each member identify themselves as a team player?
