

## **GOOD PEER MENTORING**

Take the time to tell other members when they are doing well!

SHARE! Let every member participate –that’s how we learn and how we feel part of things.

Encourage involvement, help others gain skills and knowledge so they feel confident.

Help the team to work together in the most efficient manner. If a member is off-task, remind them of team goals.

Share positive experiences and lessons learned with the team.

Don't start conflicts and communication problems. Help stop them if you see them happening.

Attend team social activities, create friendships within the team.
